HOLIDAY CALENDAR

2024 Diversity Holiday Calendar

Please note: the religious holidays we have listed below may not be fully representative of every holiday or every faith. Similarly, we'd like to note that some holidays include links to detailed resources, and others do not. The linked holidays are by no means more important than the unlinked holiday. They are simply the ones for which we had the opportunity to create custom content. If you have holidays, cultural celebrations, or commemorations to share with our team, we welcome your contributions and your voice. Please email info@thediversitymovement.com.

We also encourage you to celebrate each holiday thoughtfully and intentionally. We understand that, at first glance, this list may feel daunting or overwhelming. As a best practice, we recommend that you choose to focus on the holidays and events which speak authentically to your organization. Do your research to find out which of these occasions are important to your team, and make sure to include the individuals who celebrate these holidays in your decision-making process on how to honor them at work.

Finally, please note that equal pay days are likely to shift slightly as new data comes out at the beginning of the year. You can look to equalpaytoday.org for the most up-to-date information.
